OVERVIEW

May 22 - Jun 07, 2025

After visiting the very best of Northern Italy, why not extend your stay and discover Sicily!

A fantastic tour offering all that is the very best of Italy. On our journey from Milan to Palermo we will visit the classic cities of Verona, Venice, Bologna, Florence, Pisa, Lucca and Rome. See spectacular Lake Maggiore, experience the magnificent scenery of Tuscany, walk in the footsteps of Roman emperors. We'll sample traditional food and wine, explore iconic buildings such as the Colosseum, St Mark's and the Leaning Tower of Pisa and visit some of the world's most famous museums that Italy has to offer. Then we will journey over to Sicily, the largest of the Mediterranean islands. Its rich history is reflected in sites like the Valley of the Temples and the Byzantine mosaics at the Cappella Palatina, a former royal chapel in the capital city Palermo. On Sicily's eastern edge is Taormina with its magnificent Greek Theatre and, not to forget, Mount Etna, one of Europe's highest active volcanoes. Sicily's pastries and desserts (dolci) are famous for their richness, and in the Sicilian heat why not try the refreshing drink granita di limone (ice and lemon slush) or enjoy a glass of Marsala, Sicily's most well-known wine.

Tonight we will enjoy and welcome drink and get-together, followed by dinner in a local restaurant/trattoria.

Included meals: Breakfast and Dinner

Accommodation: Hotel Splendid, Taormina

DAY 12 - TAORMINA & MOUNT ETNA

This morning we will visit Taormina's greatest tourist attraction, the Teatro Greco, a Greco-Roman theatre built into a rocky hillside. Although generally known as the 'Greek' Theatre, Taormina's historic open-air theatre owes much of its present appearance to the Romans. Designed with an unsurpassable backdrop of blue sea, coastline, distant smoking Etna, and inland mountains, we will wander around the theatre complex, the stage and backstage areas, as well see panoramic views from the curving rows of seats.

After some free time to get some lunch, we will depart by coach for a guided excursion to Mount Etna which is among Europe's tallest and the world's most active volcanoes. A UNESCO World Heritage Site since 2013, the volcano has shaped Sicilian history and continues to impact life on the island today. We will ascend the volcano by coach to Piazzale Rifugio Sapienza (6,200ft). For those who wish to ascend further to around 8,200ft, there is the option of a cable-car/funicular (payable direct).**

Back at the hotel, the evening is at leisure.

(**This does not take you as far as the crater which is further uphill)

Optional extras: Cable-car/Funicular (please ask for details)

DAY 13 - PIAZZA ARMERINA & AGRIGENTO

We depart after breakfast towards Agrigento, one of Sicily's finest ancient cities. On the way we will stop at Piazza Armerina, a pretty and historic town nestled in the heart of Sicily. Whilst here we will visit the truly astonishing classical mosaics at the Villa Romana del Casale, an important Unesco World Heritage Site due to its containing the most complex and largest collection of Roman mosaics in the world - there are 3,535 square metres of them. We will continue to our hotel in Agrigento.

Dinner will be together this evening in a local restaurant.

Included meals: Breakfast & Dinner

Accommodation: Hotel Costazzurra Museum & Spa, Agrigento

DAY 14 - VALLEY OF THE TEMPLES, MONREALE & PALERMO

We depart after breakfast for a guided tour of the Valley of the Temples, a magnificent collection of seven ancient Greek temples from the 6th and 5th centuries BC and Sicily's most enthralling archaeological site. The most well-preserved and striking of them, the Concordia, is arguably the best-preserved temple in the world outside the Hephaestion in Athens.

From here we will head north to Monreale, a historic hill-town just outside Palermo, a picturesque place most famous for the fine mosaics in the town's great Norman cathedral which we will tour and visit. The cathedral and cloisters at Monreale are frequently cited as the island's greatest Norman buildings. The upper part of the cathedral's interior is completely covered in gleaming gold mosaics; more than 6,000 square metres of mosaic.

Continue to Palermo and our hotel for the next 3 nights. The evening is at leisure.

Included meals: Breakfast

Accommodation: Hotel Federico II, Palermo

DAY 15 - DISCOVERING PALERMO

This morning we will have a guided visit and backstage tour of the famous Teatro Massimo - Sicily's premier opera/concert theatre with its stunning interiors and detailed exterior. It is the biggest in Italy, and one of the largest in Europe, renowned for its excellent acoustics and holds over 1,300 seats. Then we will visit the Palazzo dei Normanni (Royal Palace) and the Cappella Palatina. Home to Sicily's regional parliament, this venerable palace dates back to the 9th century. However, it owes its current look and name to a major Norman makeover, during which spectacular mosaics were added to its royal apartments and magnificent chapel, the Cappella Palatina. Visits to the apartments take in the mosaic-lined Sala dei Venti, and Sala di Ruggero II, King Roger's 12th-century bedroom.

The rest of the day and evening is at leisure.

Included meals: Breakfast

Accommodation: Hotel Federico II, Palermo

DAY 16 - PALERMO'S HIDDEN MARKETS

This morning we have a treat in store - a guided visit and tour of one of Palermo's historic open-air markets. A Palermitan street market is a cacophony of sights, sounds and scents and the tradition dates from the 9th century Saracen rule of the island, which explains their striking similarity to Arab souqs. They are a great place to soak up some local atmosphere even if you don't actually buy anything, but you'll have to know where to find them, hidden as they are from the main streets - that's why we recommend you tag along on this tour.

Tonight we will enjoy a Farewell Dinner together in a local restaurant.

Included meals: Breakfast and Dinner

Accommodation: Hotel Federico II, Palermo

DAY 17 - ARRIVEDERCI ITALIA
